ORNAMENTS FOR BABY JESUS

All little children not yet in Kindergarten are asked to make a homemade Christmas ornament for Baby Jesus! Then, during the 5:00 pm Christmas Eve Mass, the little children will be asked to bring their special ornament to the altar, to be hung on a lovely little tree especially for Baby Jesus. At the special offering time, parents could also accompany their little ones to the altar. Please get the children excited about making this very special ornament, so that we are able to fill the Baby Jesus Tree with symbols of the children's love on Christmas Eve. This could be a very special Advent project for the children, to help focus on the true reason why our hearts celebrate this special season.

Thanks to all!

UPDATING 7TH AND 8TH GRADE DANCE ID'S

All 7th and 8th grade students need to return their original dance ID for an updated one. We had to use the diocesan template for ID's to keep things consistent between feeder schools. If your child returns his/her ID to school, he/she will be given an updated ID at no charge. If they have misplaced their dance ID, then a \$5 fee will be charged for the new one. All previous dance ID's are invalid. Please have them make the switch before the next dance on January 11, to ensure entry to the dance.

Hooray for those who are signs of hope to others!

The fourth graders sang Christmas carols to the other students this week!

The sixth graders wrote stories in Mrs. Kurre's class and then read them to Mrs. Hoefling's Kindergarten.
