## **St. James Parishioners**

SUBJECT: Event Stewards

This year 2021 brings hope that lives and events can get back to normal. For 2021, St. James has many weddings and receptions scheduled. Some of them were rescheduled from 2020. It is our hope that we can continue these events by following Indiana's state guidelines for capacity percentage, and our St. James Covid-19 Protocol which includes the state's recommendation for social distancing and mask wearing, etc.

At this time, we are asking for volunteers to be *Event Stewards* to help at wedding receptions. Our Cook Teams do an Amazing job; however they are busy cooking and serving meals. So, we are looking for individuals that can help out with other tasks. If you are not already involved in a role in the parish, or parish event such as our Social or Spot Shoots, this is a good opportunity to show your stewardship to our church parish. Our first event is scheduled for April. We are hoping to get at least four to eight (4 to 8) individuals to volunteer. We would request 1-2 stewards per event. Stewards must be at least eighteen (18) years of age. Individuals and couples are welcome!

### **Some of the duties for Event Stewards are:**

Making sure patrons are complying with our No Smoking rule in the building.

Checking to make sure no damage is being done to the facility.

Clean up spills if necessary.

Help to empty trash barrels if full.

If you would like to volunteer, please contact RaNae Rainey 812-204-5084. A complete list of event dates and duties will be reviewed and made available.

Thank you and God Bless St. James Parishioners!
